PROFILE

Diligent college student eager to join the workforce, bringing exceptional frontend web development expertise. With a deep passion for frontend development, I have refined my skills through self-study and various personal projects. I am enthusiastic about contributing my talents and commitment to a dynamic team, aiming to make a meaningful impact in the realm of frontend development.

PROJECTS

Personal Portfolio Website

- As a dedicated frontend web developer, I have meticulously crafted and built a personal portfolio website that effectively highlights my skills, projects, and accomplishments.

Best Buy

- Designed and developed BestBuy ecommerce shopping website to know better user experience. It specialize in selling women traditional wear clothes and it's designed for reliable experience for in any device.

Groot's Cafe

- A modern, interactive website for Groot's Cafe was built with robust structure and smooth user experience. It serves Best offers codes from restaurants to buy a Morning coffee for relaxation.
